Stefan Nölker-Wunderwald

Hanf-Zeit, Steinheim Germany

Stefan started 1997 with the opening of a hemp and headshop in Detmold. In the year 1999 the first hemp Blossom harvest was carried out and the production of its own products such as hemp-blossom-pillows and Hemp-Tea started with a small manufacture. Since that time the assortment and the production have been extended to other products such as hemp seed oil, bakery products, hemp Confectionery, CBD-Products and much more.
