

## 5th International Conference of the „European Industrial Hemp Association“ November, 19th-20th 2007, Werk P2 / EuroMedia Hotel, Huerth/Cologne, Germany

### Monday, 19th November 2007

#### Overview and Country Reports

- 10:00 **Michael Carus** (nova-Institut GmbH (\*\*\*), Germany):  
Welcome and Introduction
- 10:15 **John Hobson** (Hemcore Ltd (\*\*), Great Britain):  
Hemcore, an update on the Hemp Industry in the UK
- 10:45 **Joan Reverté** (AGROFIBRE SAS (\*\*), France):  
AGROFIBRE, natural hemp (naturellement chanvre)
- 11:15 **Coffee Break**
- 11:45 **Bodil Pallesen** (AgroTech (\*), Denmark): Hemp for  
new industrial applications and technical breakthroughs  
in Denmark
- 12:15 **Malgorzata Strybe** (Institute of Natural Fibers (\*),  
Poland): New applications of hemp in Poland
- 12:45 **Michael Carus** (nova-Institut GmbH (\*\*\*), Germany):  
Why Hemp will become a crop of the future
- 13:15 **Lunch Snacks**
- 14:45 **John Baker** (Stonehedge Bio-Resources (\*), Canada):  
Bio-Prospecting Upper Canada Heritage Hemp  
Genetics; and their usefulness in the 21st Century

#### Hemp Food – Seeds and Oil

- 15:15 **Daniel Kruse** (Hempro Int. e.K. (\*), Germany): Update  
on the European hemp food market
- 15:45 **Coffee Break**
- 16:15 **Gero Leson** (Leson & Associates (\*), USA): Hemp  
Foods in North America - Status and Results from  
Nutritional Studies
- 16:45 **Jace Callaway** (Finola ky, Finland): Results from Two  
Human Clinical Trials with Hempseed Oil
- 17:15 **Thomas Wodarsch** (Germany): HanFu - a versatile  
food made of hemp seeds
- 17:45 **End of first day**
- 19:00 **Dinner Buffet**

(\*): EIHA member / (\*\*): EIHA board of directors / (\*\*\*): EIHA executive committee

#### Sponsor of the EIHA-Conference:

### Tuesday, 20th November 2007

#### Hemp Varieties, Genetics and Breeding

- 09:00 **Janos Berenji** (Institute of Field and Vegetable Crops,  
Serbia): The late Professor Dr Ivan Bocsa - success in  
hemp genetics and breeding
- 09:30 **Keith Watson** (Manitoba Agriculture, Food and Rural  
Initiatives (MAFRI), Canada): Industrial Hemp in  
Western Canada
- 10:00 **Anndrea Schorzman-Herman** (University of Manitoba,  
Canada): Canadian Hemp Fibre Agronomic Practices:  
Research Potentials
- 10:30 **Jace Callaway** (Finola ky, Finland): The Finola Variety  
of Hemp in the EU: Sampling is Everything!
- 10:45 **Coffee Break**

#### Natural Fibre Composites

- 11:15 **Ophelia Hansen** (3-form GmbH, Germany): Ecoresin -  
innovative design and ecological claim - there is no  
contradiction
- 11:45 **Christian Gahle** (nova-Institut GmbH (\*\*\*), Germany):  
PP-NF marketing campaign - natural fibre injection  
moulding, 16 granule producers and their products
- 12:15 **Martin Snijder** (GreenGran Ltd. (\*), The Netherlands &  
Walter Zink, Germany): GreenGran Europe GmbH -  
NF/plastic granules ready to produce and supply

#### Processing technologies & technical textiles

- 12:45 **Stefaan Declerck** (Van Dommele Engineering nv (\*),  
Belgium): Bast Fibre Processing by Van Dommele  
Engineering
- 13:15 **Christian Krasemann** (Bioformtex, Germany):  
Technical non-wovens made of hemp fibres for different  
applications
- 13:30 **Lunch Snacks**

#### Fibres and shives: Hemp & Building Material

- 14:30 **Laurent Arnaud** (Development Chanvre Laurent  
Goudet, France): Hemp Lime Concrete (I): A  
Technically powerful solution
- 15:00 **Laurent Goudet** (\*) / **Bernard Boyeux** (\*) (BCB  
Balthazard & Cotte Bâtiment, France): Hemp Lime  
Concrete (II): An Opportunity for sustainable  
Construction
- 15:30 **Coffee Break**
- 16:00 **Markus Hemp** (Kompetenzzentrum Bauen mit  
Nachwachsenden Rohstoffen (KNR), Germany):  
German and european insulation market

#### Hemp Oil as biofuels

- 16:30 **Andreas Sommer** (Biotechx Pvt. Ltd., Nepal): Industrial  
Hemp as Renewable Energy Source in developing  
countries
- 17:00 **Michael Carus & Thomas Breuer** (nova-Institut GmbH  
(\*\*\*), Germany): Hemp oil as biofuel (as pure plant oil /  
straight vegetable oil)
