21st EIHA Conference

& Experience Hemp Prague
June 5-7, 2024

We are thrilled to announce that The European Industrial Hemp Association (EIHA) is gearing up for its 21st Annual Conference, and it's going to be bigger and better than ever before! In partnership with WAFBA (We Are For Better Alternatives) and Experience Hemp International, this conference promises to be an unmissable event for anyone passionate about the future of industrial hemp.

Mark your calendars for June 5-7, 2024, because we'll be gathering at the prestigious Prague Congress Centre in the heart of the stunning Prague, Czech Republic. This picturesque location will provide the perfect backdrop for two days of insightful discussions, networking opportunities, and exceptional business opportunities.

WHAT TO EXPECT:

- ◆ **Cutting-Edge Research:** Get the latest insights into hemp's various applications, from textiles, construction materials and bio-polymers to hemp foods, nutrition, CBD and beyond.
- ◆ **Expert Speakers:** Listen to renowned industry leaders, researchers, and policymakers who will share their knowledge and experiences.
- ◆ **Networking:** Connect with like-minded individuals from around the world, fostering collaborations, business and partnerships.
- ◆ **Expo:** Explore our interactive expo with a diverse range of hemp-related products and services while fostering valuable business connections.
- ◆ **Cultural Experience:** Immerse yourself in the rich culture of Prague, with opportunities to discover the city's history, cuisine, and more.

At the intersection of innovation, sustainability, and the ever-evolving hemp industry, this conference is a must-attend for professionals, scientists, innovators, investors and curious minds alike. As the world continues to recognize the significance of hemp as a versatile and sustainable resource, the 21st Annual EIHA Conference will be at the forefront of discussions shaping its future.
